

	Purpose of Website	Things Liked	Things Disliked	Overall Evaluation
<a href="https://www.netflix.com">https://www.netflix.com</a>	To provide a platform for streaming movies, TV shows, documentaries, and original content on-demand.	User-friendly interface with intuitive navigation. Personalized recommendations based on viewing history.	Limited accessibility to certain titles due to licensing agreements. Occasionally slow loading times during peak hours.	Good
<a href="https://www.meesho.com">https://www.meesho.com</a> 	To provide a platform for individuals to start their own online businesses by reselling products.	1. Easy-to-use interface for setting up and managing online stores. Wide range of products available for reselling.	Limited customer support options. Occasional delays in product delivery.	Good
<a href="https://www.edureka.com">https://www.edureka.com</a>	To provide online education and training courses in various IT-related fields such as programming, data science, cloud computing, etc.	Diverse range of courses catering to different skill levels and interests. Interactive and engaging learning experience through live instructor-led classes.	Limited free resources and trial options. Occasional technical issues during live classes.	Good
<a href="https://www.bigbasket.com">https://www.bigbasket.com</a>	To provide an online platform for users to purchase groceries, household essentials, and daily necessities, with convenient delivery options.	Wide variety of products available, including fresh produce, dairy, packaged foods, and homecare items. User-friendly interface for browsing, searching, and ordering products.	Occasional out-of-stock items leading to order adjustments or substitutions. Some users may find delivery charges or minimum order requirements unfavorable.	Good
<a href="http://www.wayfair.com">www.wayfair.com</a>	To offer a platform for users to browse and purchase marble bottles, containers, or home decor products.	Unique and aesthetically pleasing marble bottle designs.	Potentially high shipping costs or long delivery times for international orders.	Good
